

ESTMJS Annual Meeting
Monday, September 17th 2018
Morning Session – Final Program *

Venue: Lecture Hall (Pavillion), Technical University Munich, Klinikum rechts der Isar, Ismaningerstrasse 22, 81675 München (via Einsteinstrasse)

07.45 – 8.15	Registration and Welcome
08.15 – 10.15 CS	ESTMJS members meeting Part I (CS) Main Topics: Reports, Revised Bylaws, Guidelines Project
10.15 – 10.45	Coffee break & Exhibition by industrial partners
10.45 – 12.45	New applicant presentations
10.45– 11.05	Christian Wilms (Bonn, Germany) <i>Immunohistochemical considerations in TMJ-disorders</i>
11.05 – 11.25	David Serrano Ângelo (Lisbon, Portugal) <i>TEMPOJIMS Temporomandibular Interposal Material Study</i>
11.25 – 11.45	Constantius Politis (Leuven, Belgium) <i>The role of arthroscopy in resolving postoperative TMJ-problems in 630 orthognathic surgery cases with > 2 years of follow-up".</i>
11.45– 12.05	Bernard Bonte (Ostend, Belgium) <i>Bilateral TJR of TMJ in 22 year old female patient with idiopathic condylar resorption</i>
12.05 – 12.25	Bodil Lund (Bergen, Norway) <i>Characterization of patients with temporomandibular joint disorder"</i>
12.25 – 12.45	Rafael Martín-Granizo López (Madrid, Spain) <i>Arthroscopic discopexy with resorbable pins is a successful technique for disc fixation. Long-term (5 years) follow-up</i>
12.45 – 13.00 CS	ESTMJS members meeting Part II (CS) Voting's, Welcome of new members, Timing of the Annual Meeting 2019

*Note: Monday is a closed meeting for ESTMJS/ASTMJS members and invited speakers only. Non-members (i.e. applicants, industrial partners and guest speakers) are politely asked not to attend to the strictly closed sessions earmarked as "CS".

ESTMJS Annual Meeting
Monday, September 17th 2018
Afternoon Session – Final Program*

13.00 – 14.00	Lunch & Exhibition by industrial partners
14.00 – 16.00	Guest lectures in cooperation with industrial partners
14.00 – 14.30	Peter Ramsay-Baggs (Belfast, UK) ¹ <i>Cerezen devices – an update on applications in clinical settings and current clinical studies</i>
14.30 – 15.00	Eric Granquist (Philadelphia, PA, USA) ² <i>The Zimmer Biomet TMJ Joint Replacement System 25 Years in the Making: Survivorship Data from a Large FDA Trial"</i>
15.00 – 15.20	Gerhard Undt (Vienna, Austria) ³ <i>News and trends in TMJ Arthroscopy</i>
15.20 – 15.50	Claudio Darms, (Basle, Switzerland) ⁴ <i>Development of ORIF and Biomechanical aspects in ORIF</i>
15.50 – 16.00	Q & A
16.00 – 16.30	Coffee break
16.30 – 18.45	Closed Session (CS)
CS	Part I Lessons learnt in TMJ Surgery
16.30 – 16.55	Marcus Teschke, Rudolf Reich (Bonn, Germany) <i>Endoprothetic reconstruction of the TMJ and the mandible in combined defects - techniques, risks, solutions</i>
16.55 – 17.20	Bernie Speculand (Birmingham, UK) <i>"For the times they are a-changing"</i>
17.20 – 17.35	Mattias Ulmner (Stockholm, Sweden) <i>Case presentation and discussion</i>
17.35 – 17.55	Nigel Shaun Matthews (London, UK and Chapel Hill, NC, USA) <i>Consequences/sequelae of chronic TMJ dislocation and management options</i>

ESTMJS Annual Meeting
Monday, September 17th 2018
Afternoon Session – Final Program*

continued	Closed Session (CS) Part II: Project proposals
17.55 – 18.00	Andreas Neff (Marburg, Germany) <i>Guideline Project Proposal: Recurrent condylar dislocation</i>
18.00 – 18.05	Vladimir Machon (Prague, Czech Republic) <i>Proposal for an International TMJ Tumour Register</i>
18.05 – 18.15	Part III: Management concepts in TMJ Surgery: Controversies on Disc Dislocation Vladimir Machon (Prague, Czech Republic) <i>Expectations of the patient with Wilkes II and III TMD</i> (introductory presentation)
18.15 – 18.45	<i>How and why would you handle Wilkes III?</i> Open discussion (all members)
18.45 – 18.55	Closing remarks and organization Tuesday/Wednesday
19.00	President's Reception & ESTMJS Dinner Location: Restaurant "Ritzi" **

Further information

* Dress code for Monday is informal (casual or smart casual)

**Hotel & Restaurant "Ritzi", Maria-Theresia-Strasse 2a, 81675 München, within close walking distance from the lecture hall

Guest lectures sponsored by industrial partners:

- ¹ CERZEN Co Westmeath, Ireland (Platinum)
- ² ZIMMER BIOMET Warsaw, IN, USA (Platinum)
- ³ KARL STORZ, Tuttlingen, Germany (Gold)
- ⁴ MEDARTIS, Basle, Switzerland (Platinum)

We also thank IBRA (Basle, Switzerland), S.O.R.G./KLS Martin (Tuttlingen Germany) and TMJ Concepts (Ventura, CA, US), who substantially supported the ESTMJS joint events on Tuesday/Wednesday during EACMFS Munich 2018

ESTMJS Annual Meeting 2018
Munich, Germany 17th – 19th September

ESTMJS Annual Meeting Tuesday, 18th September 2018 Morning Session	
Venue: Gasteig Congress Center (Kulturzentrum), CARL AMERY HALL Rosenheimerstr. 5, 81667 München	
Note: The EACMFS congress fee will allow attendees to the ESTMJS open sessions full access to the EACMFS congress program during 18th - 19th of September and vice versa including catering	
08.00 – 10.00	EACMFS-Program: TMJ Disorders I (free papers)
10.00 – 10.30	Coffee Break
10.30 – 13.00	EACMFS Symposium: Surgery of the TMJ / Treatment of TMJ Disorders Chair: Andreas Neff, Germany Room: Gasteig, Carl Amery Hall
	Carrol Saridin, The Netherlands <i>Arthrocentesis and medicament based therapy in the treatment of TMJ disorders: where are we now and where are we going in the future?</i>
	Florencio Monje Gil, Spain <i>What to expect about the future of TMJ minimally invasive surgery</i>
	Andrew J Sidebottom, United Kingdom <i>Open TMJ surgery - where are we now and what does the future hold?</i>
	Oliver Ploder, Austria <i>Orthognathic Surgery and impact on TMJ– what parameters influence the outcome? What are the evidence based future perspectives for treatment of TMJ disorders?</i>
	Andreas Neff, Germany <i>ORIF in TMJ traumatology – current concepts and future perspectives</i>
	Keynote lecture Louis G. Mercuri, United States of America (ESTMJS/ASTMJS) <i>TMJ replacement devices - dark past to bright future</i>

ESTMJS Annual Meeting Tuesday, 18th September 2018 Afternoon Session: continued	
Venue: Gasteig Congress Center (Kulturzentrum), CARL AMERY HALL Rosenheimerstr. 5, 81667 München	
13.00 – 14.00	Lunch break and Industrial exhibition
14.00 – 15.30	“EACMFS meets ESTMJS” (ESTMJS Part I)
	Hot Topics in TMJ Surgery and TMJ Disorders – where do we go in the future? Chair: Andreas Neff, Germany; Joel Ferri, France; Frederik Spijkervet, The Netherlands Room: Gasteig, Carl Amery Hall
14.00 – 14.50	Hot Topic I Roundtable with introductory presentations (7 min each): Degenerative disc disorders stage Wilkes III: where are we now and where to go in the future?
	Gerhard Undt, Austria <i>Treatment strategies in TMJ disc disorders – the Vienna concept</i>
	Jacinto Fernandez Sanroman, Spain <i>Treatment strategies in TMJ disc disorders – the Vigo concept</i>
	Piero Cascone, Italy <i>Treatment strategies in TMJ disc disorders – the Roma concept</i>
	Vladimir Machon, Czech Republic <i>Treatment strategies in TMJ disc disorders – the Prague concept</i>
	Salvatore Sembronio, Italy <i>Treatment strategies in TMJ disc disorders – the Udine concept</i>
	Panel discussion, plenary, questions & answers

ESTMJS Annual Meeting Tuesday, 18th September 2018 Afternoon Session: continued	
Venue: Gasteig Congress Center (Kulturzentrum), CARL AMERY HALL Rosenheimerstr. 5, 81667 München	
14.50 – 15.30	“EACMFS meets ESTMJS” (ESTMJS Session Part II): Room: Gasteig, Carl Amery Hall
	Hot Topic II: Total Joint Replacement – Which problems will we face in the future?
	Andrew J Sidebottom, United Kingdom <i>Ankylosis - management and outcomes</i>
	Frederik Spijkervet, The Netherlands <i>Surgical accuracy of custom total joints and future perspectives</i>
	Panel discussion , plenary, questions & answers on: <i>Total Joint Replacement – Which problems will we face in the future</i>
	Panelists: Piero Casone, Italy Joel Ferri, France Vladimir Machon, Czech Republic Lou Mercuri, United States of America Nadeem Saeed, United Kingdom Andrew J Sidebottom, United Kingdom Frederik Spijkervet, The Netherlands
15.30 – 16.00	Coffee break

ESTMJS Annual Meeting Tuesday, 18th September 2018 Afternoon Session: continued	
Venue: Gasteig Congress Center (Kulturzentrum), CARL AMERY HALL Rosenheimerstr. 5, 81667 München	
16.00 – 18.00	S.O.R.G. TMJ Session: “EACMFS and ESTMJS meet SORG” Outcomes and pitfalls in TMJ surgery and TMJ traumatology – lessons learnt for the future
	Chair: Andreas Neff, Germany, Nadeem Saeed, United Kingdom Room: Gasteig, Carl Amery Hall
16.00 – 17.00	S.O.R.G. Session Part I: TMJ Surgery
	Gerhard Undt, Austria <i>Outcomes and pitfalls in minimally invasive surgery of the TMJ – lessons learnt for the future</i>
	Andrew J Sidebottom, United Kingdom <i>Outcomes following pathology guided surgical management of the TMJ</i>
	Nadeem Saeed, United Kingdom <i>Autogenous/Alloplastic TMJ Reconstruction – planning the future on lessons learnt</i>
17.00 – 18.00	S.O.R.G. Session Part II: TMJ Traumatology Guenter Lauer, Germany <i>Outcomes and lessons learnt for the future in endoscopic assisted treatment of condylar fractures</i>
	Niall McLeod, United Kingdom <i>Outcomes and lessons learnt for the future in open condylar fracture treatment</i>
	Orhan Güven, Turkey <i>Outcomes and lessons learnt for the future in pediatric condylar fracture treatment</i>
	Panel discussion, questions and answers
18.00	Opening and Welcome Reception EACMFS, Gasteig, Room: Philharmony

ESTMJS Annual Meeting Wednesday, 19th September 2018 Morning Session	
Venue: Gasteig Congress Center (Kulturzentrum), Rosenheimerstr. 5, 81667 München Room: Carl Amery Hall	
08.00 – 13.00	IBRA Guest Society Symposium “IBRA meets EACMFS and ESTMJS”
	“From Strasbourg 2007 to Munich 2018: Consensus update and future perspectives in condylar traumatology”
	Chairmen: Andreas Neff, Germany; Christophe Meyer, France; Edward Ellis III, United States of America
	Organization (each topic with consensus voting including panelists and audience)
	Consensus Update and Future Perspectives in Condylar Traumatology
08.00 – 09.00	Session 1: Part I: Basic considerations on up to date classification and biomechanics
09.00 – 10.00	Part II: Roundtable “Pediatric Fracture treatment”
	Consensus Update and Future Perspectives in Condylar Traumatology
10.30 – 11.50	Session 2 Part III: Disputation and Roundtable “Surgical versus non-surgical indications in condylar base and neck fractures”
11.50 – 13.00	Part IV: Disputation and Roundtable “Treatment of Condylar Head Fractures”
14.00 – 15.30	Session 3 Part V: Roundtable “Approaches – Pros and Cons”

ESTMJS Annual Meeting Wednesday, 19th September 2018 Morning Session: continued	
Venue: Gasteig Congress Center (Kulturzentrum), Rosenheimerstr. 5, 81667 München Room: Carl Amery Hall	
	IBRA Symposium: Consensus Update and Future Perspectives in Condylar Traumatology
08.00 – 09.00	Session 1: Part I: Basic considerations on up to date classification and biomechanics
	Andreas Neff, Germany: <i>Welcome and introduction</i> <i>From Strasbourg 2007 via Marseille 2012 to Munich 2018 - consensus update and future trends in condylar traumatology</i>
	Andreas Neff, Marburg, Germany <i>The condylar classification dilemma: is there a way out now for the future?</i>
	Christophe Meyer, France <i>Dos and Don'ts in Biomechanics – lessons learned to avoid complications in the future</i>
	Panel discussion, questions and answers
	Consensus voting on Topic 1: Classification, Biomechanics and Complications (Update Marseille Statements)
	Moderation: Andreas Neff, Germany
	Panelists: Edward Ellis III, United States of America Joel Ferri, France Tateyuki Iizuka, Switzerland (<i>to be confirmed</i>) Johannes Kleinheinz, Germany Andreas Kolk, Germany Christophe Meyer, France

ESTMJS Annual Meeting Wednesday, 19th September 2018 Morning Session: continued	
Venue: Gasteig Congress Center (Kulturzentrum), Rosenheimerstr. 5, 81667 München Carl Amery Hall	
	IBRA Symposium: Consensus Update and Future Perspectives in Condylar Traumatology
9.00 – 10.00	Session 1 Part II: Roundtable “Pediatric Fracture treatment”
	Introductory presentations:
	Orhan Güven, Turkey <i>Pediatric condylar fractures – where should surgery go in the future?</i>
	Timo Peltomäkki, Switzerland <i>Pediatric condylar fractures – the orthodontists’ vision</i>
	Panel discussion, question and answers Consensus voting on Topic 2 Pediatric Fractures (Marseille Statements and Case updates)
	Moderator: Edward Ellis III, United States of America
	Panelists: Tateyuki Iizuka, Switzerland Orhan Güven, Turkey Dusan Hirjak, Slovakia Christophe Meyer, France Andreas Kolk, Germany Andreas Neff, Germany Timo Peltomäkki, Switzerland
10.00 – 10.30	Coffee break at EACMFS

ESTMJS Annual Meeting Wednesday, 19th September 2018 Morning Session: continued	
Venue: Gasteig Congress Center (Kulturzentrum), Rosenheimerstr. 5, 81667 München Room: Carl Amery Hall	
	IBRA Symposium: Consensus Update and Future Perspectives in Condylar Traumatology
10.30 – 11.50	Session 2: Part III: Disputation and Roundtable: “Surgical versus non-surgical indications in condylar base and neck fractures”
	Introductory presentations:
	Joel Ferri, France <i>Which indications for non-surgical therapy will be valid in the future?</i>
	Edward Ellis III, United States of America <i>Which indications for surgical therapy will be valid in the future</i>
	Panel discussion, question and answers and Consensus voting on Topic 2 Surgical vs. Nonsurgical Indications (Update Base and Neck Cases and Marseille Statements)
	Moderator: Christophe Meyer, France
	Panelists: Edward Ellis III, United States of America Joel Ferri, France Tateyuki Iizuka, Switzerland (<i>t.b.c.</i>) Johannes Kleinheinz, Germany Andreas Kolk, Germany Andreas Neff, Germany

ESTMJS Annual Meeting Wednesday, 19th September 2018 Morning Session: continued	
Venue: Gasteig Congress Center (Kulturzentrum), Rosenheimerstr. 5, 81667 München Room: Carl Amery Hall	
	IBRA Symposium, Session 2 Consensus Update and Future Perspectives in Condylar Traumatology
11.50 – 13.00	Part IV: Disputation and Roundtable “Treatment of Condylar Head Fractures”
	Introductory Presentations:
	Joel Ferri, France <i>Condylar head fractures: why and how to treat non-surgically in the future</i>
	Andreas Neff, Germany <i>Condylar head fractures: why and how to treat surgically in the future</i>
	Panel discussion, question and answers and Consensus voting on Topic 4: Consensus voting on Condylar Head Fractures
	Moderator: Christophe Meyer, France
	Panelists: Edward Ellis III, United States of America Joel Ferri, France Dusan Hirjak, Slovakia Johannes Kleinheinz, Germany Andreas Kolk, Germany Niall McLeod, United Kingdom Andreas Neff, Germany
13.00 – 14.00	Lunchbreak EACMFS

ESTMJS Annual Meeting Wednesday, 19th September 2018 Afternoon Session	
Venue: Gasteig Congress Center (Kulturzentrum), Rosenheimerstr. 5, 81667 München Room: Carl Amery Hall	
	IBRA Symposium, Session 2 Consensus Update and Future Perspectives in Condylar Traumatology
14.00 – 14.40	Part Va: Roundtable “Approaches – Pros and Cons”
	Introductory presentations
	Günter Lauer, Germany <i>The intraoral approach: indications, limitations and complication rates</i>
	Christophe Meyer, France <i>The high submandibular/angular approach: indications, limitations and complication rates</i>
	Johannes Kleinheinz, Germany <i>The retromandibular infraparotid and transparotid approaches: indications, limitations and complication rates</i>
	Giacomo Colletti, Italy <i>The anteroparotid transmasseteric approach: indications, limitations and complication rates</i>
	Andreas Neff, Germany <i>Pre- and retroauricular approaches: indications, limitations and complication rates</i>

ESTMJS Annual Meeting Wednesday, 19th September 2018 Afternoon Session: continued	
Venue: Gasteig Congress Center (Kulturzentrum), Rosenheimerstr. 5, 81667 München Room: Carl Amery Hall	
	IBRA Symposium, Session 2: Consensus Update and Future Perspectives in Condylar Traumatology
14.40 – 15.25	Part Vb: Roundtable “Approaches – Pros and Cons”
	Panel discussion, question and answers and Consensus voting on Topic 5: Consensus voting on Approaches in Condylar Traumatology
	Moderator: Andreas Neff, Germany
	Panelists: Giacomo Colletti, Italy Edward Ellis III, United States of America Dusan Hirjak, Slovakia Johannes Kleinheinz, Germany Andreas Kolk, Germany Günter Lauer, Germany Christophe Meyer, France Niall McLeod, United Kingdom
15.25 – 15.30	Adjourn of the IBRA/ESTMJS Congress Afterwork Meeting IBRA, location tbd.
15.30 – 18.00	EACMFS Program: TMJ Disorders II (free papers)
	Optional: EACMFS Social program Munich Hofbräuhaus Dinner 20.00
